A

## Before Installation

- Make sure the desk has been fully assembled.
- Ensure all required hardware is available.
- Do not fully tighten screws until all parts are correctly aligned.

### Step 1

Remove the nuts and detach the U-shaped mounting bracket from the Heating & Cooling Coaster.

B

### Step 2

Insert the Heating & Cooling Coaster into the tabletop opening from above, ensuring it is properly aligned.

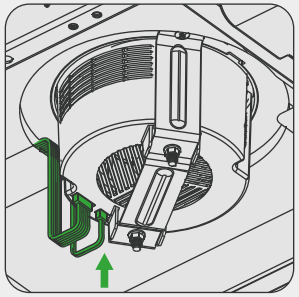

C

### Step 3

Reinstall the U-shaped mounting bracket, then tighten the two nuts to secure the Heating & Cooling Coaster.

### Step 4

Connect the plug in the correct orientation.

## Final Check

- All screws are securely tightened.
- All cables are properly connected (if applicable).
- Ensure the accessory is firmly installed before use.

## ⚠ CAUTION

Connect the power cable only after installation is complete.

- After unpacking the product, confirm that all parts are included. If anything is missing, please contact customer support at **support@livtab.com.**
